

Oldham County Fire Instructors Association

2016 HEAVY RESCUE SEMINAR

A full day (8 hour) hands on class in which students will face challenging scenarios that will test their existing skills and expand upon their future skill set. Each scenario will have compounding problems that require the rescuers to use multiple tools and tactics in order to extricate. Students will learn advanced extrication techniques from leading instructors within the rescue industry.

When: October 1st

Where: Oldham County Bus Garage, 1800 Button Lane, LaGrange, KY 40031

Use the attached registration form to register for the seminar. On the day of the seminar Students will need to check-in between 07:00—07:45. Class will start promptly at 08:00. Lunch will be provided on site. Cost is \$60 per student. Class will be limited to 40 Students.
